Family Home With Large Flat

A wonderful opportunity to buy a stunning 4 bedroom family home located on a quiet corner plot overlooking a green belt with a park and boasting views out to the Overberg and Tygerberg Hills. Well-designed with good flow, the reception rooms are on one side of the house and bedrooms on the other. The recently upgraded kitchen is open plan to a family room and leads out to a covered patio and from there to the well-established garden. There is no swimming pool but there is ample room to have one built. The formal lounge with wood fireplace and dining room interconnect, alongside the family room. A separate braai room has been built in an enclosed patio with beautiful panoramic views. The master bedroom is huge with views, ample cupboards and a full bathroom. Close to the main bedroom is a study that could be used as a baby room...
