Airbnb Investment or 4 Bedroom Family Home with WFH Office & 2 Bedroom Cottage

This unique property is a rare find—whether you're looking for an Airbnb investment or a spacious family retreat, this home has it all!

Currently operating as a successful Airbnb, this property offers an investor the perfect opportunity to continue generating income. It's also a perfect retreat with resort style living for an extended family.

With 4 bedrooms, a work-from-home office (or 5th bedroom), and a separate 2-bedroom double-storey cottage, the possibilities are endless!

Main House:

Bright and airy open-plan living area, featuring:

- Lounge & dining room with a striking feature ceiling.
- TV room with a built-in braai and mountain views.
- Large windows throughout, ensuring plenty of natural light.
- Spacious kitchen with a 4-burner gas cooker, open to the dining...
